Election/Restrictions

1. The application contains a plurality of disclosed a patentably distinct species comprising:
 - (1) the specifics of the device and the process being comprised of an inventive mask having a plurality of bars and three shifter pixels in a direction parallel with the fiber axis direction comprising a first embodiment which corresponds to Figures 2 and 3;
 - (2) the specifics of the device and the process being comprised of an inventive mask and an example of cyclic movement of the pixels from one edge of a bar to another comprising a second embodiment which corresponds to Figures 3 and 4;
 - (3) the specifics of the device and the process being comprised of an example of an arrangement to write a fiber Bragg grating into a fiber using an inventive mask comprising a third embodiment which corresponds to Figure 5;
 - (4) the specifics of the device and the process being comprised of an example of an arrangement to write a fiber Bragg grating into a fiber using an inventive mask and an additional imaging system comprising a fourth embodiment which corresponds to Figure 6;
2. Applicant is required under 35 U.S.C. 121 to elect a single disclosed species, even though this requirement is traversed.

Should applicant traverse on the ground that the species are not patentably distinct, applicant should submit evidence or identify such evidence now of record showing the species to be obvious variants or clearly admit on the record that this is the case. In either instance, if the

examiner finds one of the inventions unpatentable over the prior art, the evidence or admission may be used in a rejection under 35 U.S.C. 103(a) of the other invention.

3. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) of one or more of the currently named inventors is no longer and inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).
